Regulation News:

From the Desk of Vanessa Silke (NCBG Lobbyist) The NLCC held the hearing on the proposed rules on March 8, 2017. The comment period for the proposed rules closed on April 7, 2017. The NLCC will vote to adopt the proposed rules at the May 2, 2017 meeting. If adopted, the rules will become effective five (5) days after the Secretary of State confirms receipt of the rule language, which means the proposed rules will become effective on May 9, 2017 at the earliest.

I will keep the Guild informed of the status of the rules after the May 2, 2017 NLCC meeting.
